

SPRINKLERS

Irrigation Products, Inc.

Orbit Irrigation is recognized as the brand leader in the irrigation market. In a recent nationwide study of hose-end brand names, Wirthlin Worldwide Research determined that one in four customers were familiar with the Orbit brand, making Orbit/SunMate the most recognized and asked for brand in the hose-end products industry.

Brass Impact Sprinkler w/ Tripod Base

These impact sprinklers can reach up to an 80 ft diameter that has fully adjustable arcs. Aluminum tripod telescopes out for maximum stability and distance, adjusts from 25" to 48" in height. Legs retract and fold together making a compact design for easy moving and storage. Water intake piping is gooseneck shaped for easy hose connection. Irrigates large areas with ease.

ITEM #	OR58308
--------	---------

Zinc Impact Sprinkler w/ Spike Base

Durably constructed from zinc, this sprinkler can reach an 80 ft diameter with fully adjustable arc. Can be used in a series or by itself. Partnered on top of a strong zinc spike.

ITEM #	OR58001
--------	---------

Sprinkler Spike

This spike has a sprinkler base on top and two connections on both sides of the spike so it can be used for a single sprinkler or in a series of sprinklers. 6½" long so it stays anchored in the ground.

ITEM #	OR58034
--------	---------

18 Hole Oscillating Sprinkler

This sprinkler is of durable plastic and brass construction offering 2600 to 3600 square feet of coverage.

ITEM #	OR58364
--------	---------

22 Hole Oscillating Sprinkler

Made from aluminum and plastic, this sprinkler offers between 2600 and 3600 square feet of water coverage.

ITEM #	OR58304

WATER HOSES

The Contractor is a super heavy-duty hose that has a five-layer construction for increased durability. Has a solid brass crush resistant coupling layer for strength, durability, and precision fit. A tough outer jacket resists abrasion and stands up to everyday abuse. A Power Coil® collar eliminates kinking of the hose at the faucet.

The Contractor

ITEM #	SIZE
HOSE88850	5/8" x 50'
HOSE88810	5/8" x 100'
HOSE98850	3/4" x 50'
HOSE98875	3/4" x 75'
HOSE98810	3/4" x 100'

The Garden Mate®

This heavy-duty hose is manufactured for demanding home gardening. Superior construction offers high burst strength, protective collars, and brass crush-resistance couplings. A solid brass octagon coupling prevents leakage with a wrench tight fit. By Apex Teknor, so you know its durable and dependable.

ITEM #	SIZE
HOSE85205	5/8" x 50'
HOSE85207	5/8" x 75'

Soil Soaker

This hose is constructed from durable, recycled rubber and can be used above ground or below. This soaker has tiny pores that over time release small amounts of water to evenly irrigate the desired area. The slow drip reduces wasteful run-off and erosion.

ITEM #	SIZE
HOSE1025	5/8" x 25'
HOSE1050	5/8" x 50'

Andrews®, the original sprinkler and soaker hose. Meets all your watering needs. Provides both a gentle spray and a thorough soaking. Unique flexible hose rolls out easily and lays flat, while effortlessly contouring around, over and in beds for perfect water distribution.

ITEM #	SIZE
HATT30	30'
HATT50	50'
HATT100	100'
